Your 2026-2027 Free Application for Federal Student Aid (FAFSA) was selected for a review process called verification. Your parent(s) indicated they did not file a 2024 federal tax return on the FAFSA. Parents of dependent students who did not file a tax return or are not required to file an income tax return for the 2024 tax year are required by the Department of Education to submit a Verification of Non-filing Letter. If you are a dependent student and a non-tax filer, you are excluded from this verification requirement and do not need to provide confirmation of your non-filing status from the IRS.

If your parent(s) are unable to secure a letter from the IRS, this form may be submitted in its place. List the name of each parent below who is claiming they are a non-tax filer:
